

ENGINEERING DESIGN BUREAU
Consulting Engineers, Planners & Architects

ACCREDITATIONS & Certificates

Overview

At EDB we ensure to implement most advance systems accepted at local and global level. In acquisition of these systems, we are training our staff according to the requirement of new challenges, policies & vision and made necessary changes in our documentation and working procedures. Our accreditation with local and international bodies are showing our interest to approach the right path.

Because of the unique environment in Pakistan, we adapt to the changing situation quickly and get the projects completed. Our employees are especially suited to work in difficult terrain because of the extensive training and experience they have gained in working with the company. Moreover, the company's extensive effort to provide the necessities to all our employees in the projects assigned to them by us on behalf of the client.

Certification from different local institutions i.e. Pakistan Engineering Council defines that we meet defined local and worldwide parameters and going step further each time.
